My dear Kathleen;

I am now again a travelling artist!
Like 50 years ago! To night we are
giving our second Concert here, the
first being sold out! with 3 Sonatas.
The Program to night consists only
of ancient music: Handel, Bach,
Locatelli, Nardini, Vitali (Chaconne)
and the two Haydn pieces arranged by
me. - To morrow we are going back
to Christiania, there I have two Concerts,
two in Stockholm, one Upsala; one or
two Copenhagen and one at Odense,
most of them engagements made by the

local Agents; I am as named to be obliged,
in my age to do such business. - The 15th
of October I shall have finished this Case =
certs and decide where I shall stay the winter,
in Russia or elsewhere. In Scandinavia life
during the winter will be difficult on
account of need of coats and food. They are
not happy at all to see so many foreigners
in their country. - If necessary, I shall
go to America! Now I must tell you
how immensely I enjoyed your letter; one
of my most intense wishes that is, to
see you in your estate. will it ever be
realized? it is doubtful! The days

I shall feel the letter as Christiana so I have not your address here: I have communicated the "dear" with the editor of the paper.

dear and Toscha have much improved since last year; they have already given 2 (dear) and 3 (Toscha) brilliant Concerts at Christiania and are touring in the country. - dear became very conceited (not with me of course) after his success and is very much "spoiled by the "genre feminin". - Toscha is decidedly the great favorite; like a famous Prima Donna his concerts are always sold out and beside that, artistic triumphs. dear plans to go to America; the Seids will stay in Norway as the boy has engagements in Trondheim too. - Mrs. Klein is to try the Piano at the Hall, but I am sure she would send you and mother her heartiest greetings and so do I with many kisses. -

M. Hansen, Copenhagen; I shall give orders to send the piece to you, there
are only 37 leaves. -- My address, on short notice, my decision is as
Christiana, Scandinavian Mission 67.
